QRAA POKER RUN May 2nd & 3rd 2020

The idea of a Poker Run is to visit nominated airports and collect a sealed envelope containing one playing card at each strip.

That evening, at pre dinner drinks, the fifth card will be drawn, and the winner will be the person with the best hand.

The winning hand will receive \$100.00, donated by QRAA.

The Airports are YLIS (Lismore); YCAS (Casino); YBNA (Ballina/Byron) and YEVD (Evans Head) which can be visited in any order culminating at Evans Head. (If you skip an airport you will be given a card to make up your full hand.)

The distance between these airports is not great but time is taken with landing, shutting down, getting your playing card and probably a chat with the other participants, starting up and flying to the next airport.

The plan is to have all participants landed by 1pm so they can enjoy a leisurely afternoon before dinner that night.

Depending on your plans, you may wish to pack a lunch and flask of coffee for your arrival at Evans Head as there is no café at the airport, especially if you prefer to wait to see all of the aircraft arrive before we depart for the Bowlo Holiday Cabins approximately 2kms from the Airport.

Transport to the overnight accommodation will be available.

Fuel is available at Lismore (Air BP Card) or Ballina (Viva Fuel card, Shell Carnet, and Credit Cards, Visa or Mastercard.)

Please register your interest on the QRAA Events web site:
